

TRANSMITTAL SLIP		
(Date) <i>12/1/55</i>		
TO:		
General Counsel		
BUILDING	ROOM NO.	
East	221	
REMARKS: Attached for your information is a copy of a report and related papers recently submitted to the Director.		
<p>It is recognized that we are deficient in many areas of wartime planning and that this report does little other than comply with the instructions that a report be submitted.</p> <p>Increasing emphasis will be placed on this phase of our activities during the next six months under the direction of the SPA-DD/S. As a result, I am expecting the report required on 31 Dec 55 to reflect much progress in all DD/S elements.</p>
